UNITED STATES PATENT AND TRADEMARK OFFICE

In re the Appln. of:

Johshi GOTOH et al

Serial No.: 10/721,263

Filed: November 26, 2003

Patent No.: 6,881,591

Issued: Apr. 19, 2005

For: UNDERFILLING MATERIAL FOR
SEMICONDUCTOR PACKAGE

RENEWED PETITION

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This will acknowledge receipt of the Decision on Petition, mailed September 12, 2005, in connection with the above-identified patent, a copy of which is attached.

However, in the Decision on Petition, the PTO has denied the entry of the Certificate of Correction, stating that "Petitioner has requested to correct the name of the assignee". In fact, Petitioner is not requesting a correction to the name of the assignee. There are two assignees for this patent: (1) Sunstar Giken Kabushiki Kaisha, and (2) Sunstar Suisse SA.

In this regard, Petitioner attaches copies of the following:

1. A copy of the Notice of Recordation dated June 3, 2002 filed in connection with the parent application, Serial No. 10/019,299, acknowledging Sunstar Giken Kabushiki Kaisha and Uni-Sunstar B.V. as assignees of the parent application, and thus, as assignees of this divisional application.

2. A copy of the official Filing Receipt, mailed March 12, 2004, acknowledging Sunstar Giken Kabushiki Kaisha and Uni-Sunstar B.V. as assignees of this application.

3. A copy of the Notice of Recordation dated August 31, 2004 acknowledging the assignment of Uni-Sunstar B.V.'s interest in the above application to Sunstar Suisse SA.

Therefore, it is submitted that the Request for Certificate of Correction Under 37 CFR 1.323, filed June 1, 2005, is correct in requesting that the name of the second assignee, Sunstar Giken Kabushiki Kaisha, of Takatsuki (JP), be added in the Assignee section of U.S. Patent No. 6,881,591, immediately prior to the name of the second assignee, Sunstar Suisse SA.

Accordingly, Petitioner requests entry of the Certificate of Correction Under 37 CFR 1.323, filed June 1, 2005.

Costs for any fee due in connection with this Response may be charged to our Deposit Account No. 06-1358. A duplicate of this paper is attached.

Respectfully submitted,

JACOBSON HOLMAN, PLLC

OFFICE OF PETITIONS

In re Application of
Gotoh et al.
Patent No. 6,881,591~
Application Number: 10/721,263
Issue Date : April 19, 2005
Filing Date: November 26, 2003
Attorney Docket Number: P67440US2

DECISION ON PETITION

This is a decision on the petition for certificate of correction under 37 CFR 1.1.83 filed on June 1, 2005. The petition is properly treated under 37 CFR 3.81 (b) to correct the assignee on the front page of the above-identified patent by way of a Certificate of Correction.

The request is **Dismissed**.

Any request for reconsideration must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 C.F.R. § 1.136(a) are not permitted. The reconsideration request should include a cover letter entitled "Renewed Petition". This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

Effective June 25, 2004, when a request to issue a patent to an assignee is filed after payment of the issue fee, a certificate of correction must be submitted as there is no time to process these request before a patent is issued. See 69 Fed. Reg. 29865 (May 26, 2004).

Any request for issuance of an application in the name of the assignee submitted after the date of the payment of the issue fee, and any request that a patent be corrected to state the name of assignee must :

(A) state the assignment was submitted for recordation as set forth in 37 CFR §3.11

(D) provide the processing fee set forth in 37 CFR §1.17(l)

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Preliminary Class

174

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
